About METS Micro.

What is METS Micro?

It's an on-demand public rideshare service. Simply enter your pickup and dropoff locations, choose the route that works best for you, and we'll get you to your destination! You can also call (812) 562-5011 to book a ride.

METS Micro is a pilot program with Toyota Mobility Foundation's Together In Motion initiative, so the service may grow with Evansville's evolving mobility needs.

Monday - Saturday:

6:15am to 12:00am

How much do rides cost?

\$2 per ride.

How do I pay for my ride?

When you create your account, you can add a debit/credit card or a prepaid debit card. The card on file will be automatically charged once you've completed a ride.

You can also purchase a ride voucher at the METS Administrative Office. To use it:

- Tap the menu in the upper left corner of the screen.

Why do I have to walk to meet my driver?

To cut down on detours and shorten the journey, you'll meet your driver at a convenient pickup point (usually a corner near the pickup address you provided).

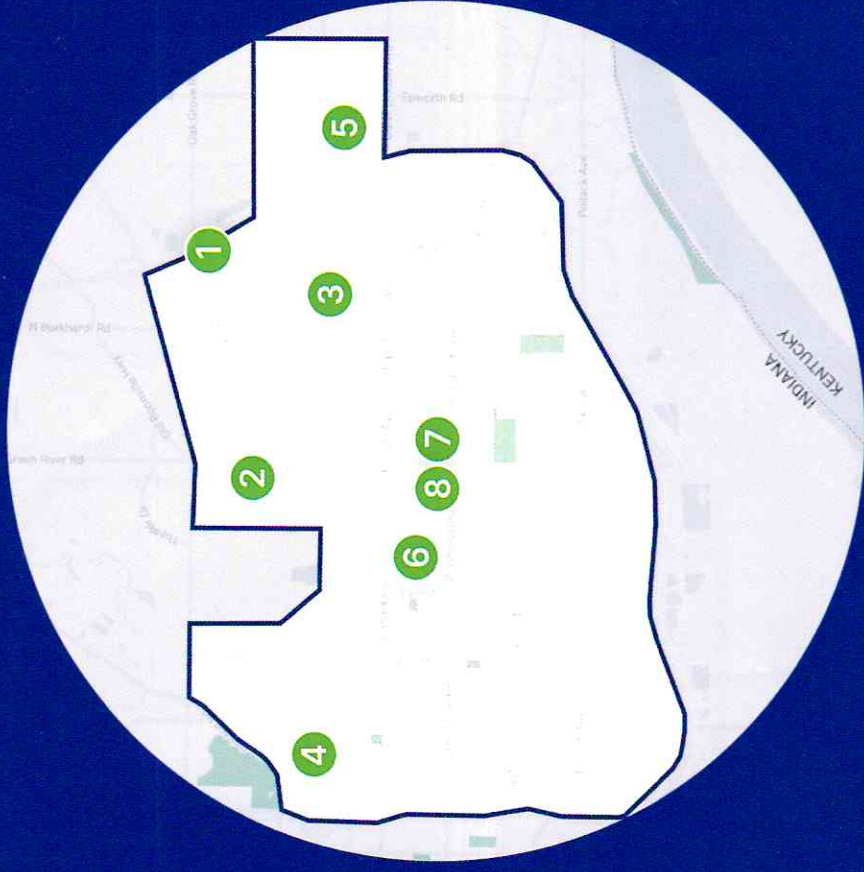

Who will I be sharing my ride with?

Other passengers headed in the same direction may be picked up and dropped off during your trip. This keeps the service fast and wallet-friendly!
